Intro riff: tab
Here's tablature to get you started with the intro. This tab focuses on the chords and the transitions between them. What it doesn't show is how you might go about strumming or picking notes within each chord – I'll leave that up to you.

E   ---------2-----2-----2-----2-----             E
B   ---------3-----0-----0-----0-----             B7

A   ---0-----2-----4-----4-----2-----2-----       A
E   ---------0-----0-----0-----0-----             E

Intro riff: timing
Once you learn the notes you need to play in the intro, you may want to practice the timing and rhythm. This may help.

E7    A7    D    D/F#
1 + 2 + 3 + 4 + 1 + 2 + 3 + 4 + 1 + 2 + 3 + 4 +

"Low down leaving sun..."

Verse strum pattern
1 + 2 + 3 + 4 + 1 + 2 + 3 + 4 +
